Professor W. Stewart Wallace,

McMaster University, Toronto.

Dear Professor Wallace:

I will forward to the Carnegie Foundation a statement of your services if you will be kind enough to send it to me on the card which I am enclosing. Then I will get a definite ruling from the Carnegie Foundation.

I feel, however, that quite the most satisfactory thing for you would be to join the new annuity fund that has been established by the Carnegie Foundation. If you would like to talk to me about it I shall be glad to see you as I could explain it more clearly than in a letter.

Yours sincerely,

President.

Professor Stewart Wallace,

Toronto.

My dear Professor Wallace:

Many thanks for the copy of the "Canadian Letters" which I have just received. I congratulate you on having completed the work and also on the very good form in which it is got out. I hope to be able to read them before very long.

I was sorry to hear that you were taken ill recently and I trust that you are better now, and that having had the operation you will be in much better health.

With kind regards, I am,

Yours sincerely,

President.
